

2) European Geosciences Union General Assembly 2008 in Vienna, Austria, 13 – 18 April 2008

Several sessions related to astrobiology are open for abstract submission (before January 14th). Here are a few but there are many others of possible interest to all of us. <http://meetings.copernicus.org/egu2008/>

BG7.1 Traces of life for paleobiology and astrobiology (co-sponsored by EAG; co-listed in SSP)

Convener: Javaux, E.

Co-Convener: Benzerara, K.; Marshall, C.; Bekker, A.

IS4 - BG7.2/SSP34 The Early Earth: inside and out (co-sponsored by the ESF research network "Archean Environment" & EAG; co-organized by BG & SSP; co-listed in GD, GMPV, MPRG & TS)

Convener: Parman, S.

Co-Convener: van Hunen, J.; Javaux, E.; Arndt, N.; Zegers, T.

IS5 - BG7.3/SSP29 Astrobiology and Society (co-organized by BG & SSP)

Convener: Grymes, R.

Co-Convener: Foing, B.

IS51 - PS2.2/BG7.4 Astrobiology, Mars and robotic exploration (co-organized by BG & PS)

Convener: Westall, F.

Co-Convener: Vago, J.; Muller, C.; Toporski, J.

PS2.1 Exploring the Solar System - Missions and Techniques

Convener: Muller, C.

Co-Convener: Falkner, P.; Foing, B.

PS3.2 Mars Science & Exploration

Convener: Chicarro, A.

PS3.3 Venus Express: two years in orbit

Convener: Titov, D.

Co-Convener: Svedhem, H.

PS3.5 Atmospheres of terrestrial planets

Convener: Markiewicz, W.

Co-Convener: Montmessin, F

PS9 Extrasolar Planets and Planet Formation Session

Convener: Cho, J.

Co-Convener: Rauer, H.; Winterhalter, D.; Hatzes, A.; Krot, A.

GI7 Planetary Landers and Instrumentation (co-listed in PS & ST)

Convener: Falkner, P.

Co-Convener: Richter, L.; Barnes, D.
