

Preliminary Announcement

PATHWAYS TOWARDS HABITABLE

PLANETS

September 14th-18th, 2009 Barcelona , Spain

<http://www.pathways2009.net>

We are organizing an international scientific conference, to be held on 14-18 September 2009. The venue is the CosmoCaixa science museum in Barcelona, Spain.

One of the most important scientific challenges for the 21st century is the search of habitable worlds around other stars....
