

Dear all,

The astrobiology group website has been updated :

<http://astrobio.oma.be/meetings.php>  
-----

The eighth European Mars Conference organised by the Mars Society in Antwerp next week (Friday 17 and Saturday 18) contains some interesting communications on astrobiology especially on Saturday 18:

<http://www.emc8.be/index.php>

The Mars Society is a society of amateur and professionals sharing a common enthusiasm for the manned exploration of Mars and its preparatory phases.

Sincerely,

-----  
Conférence du Dr Kevin Lepot (ULg) le 21 octobre 2008 à 16h  
"Les stromatolites archéens sont-ils biogéniques ? Etude nanoscopique de la formation de Tumbiana (Australie Occidentale), 2.7 Ga"  
campus du Sart-Tilman, département de géologie (B18, local R122)  
Université de Liège ( <http://www2.ulg.ac.be/acces/plans/zonenord.html>)

-----  
Thank you for your consideration,  
Astrobiology Group - Webmaster
