

Dear Colleagues,

We wish you a very happy and fruitful new year.
E. Javaux, V. Dehant R. Laurent

The astrobiology group website has been updated :

<http://astrobio.oma.be/meetings.php>

In attachment you find for your information the announcement of NASA-Nordic Summer school "Water, ice and the Origin of Life in the Universe" in Iceland.

The NASA Astrobiology Institute and the Nordic Astrobiology Network will organise a summer school with the abovementioned theme in Iceland from 29 June to 13 July 2009 for students and post-docs from astrobiology-related subjects (biology, chemistry, physics, astronomy, geosciences etc.)

Further information about the summer school and instructions about the application procedure are available on its website

"<http://www.astrobiology.net>">

Thank you for your consideration,
Astrobiology Group - Webmaster
