Dear all,

The astrobiology group website has been updated :

<http://astrobio.oma.be/meetings.php>

BIRA, ROB, and Liege University are organizing the 9th European Workshop on Astrobiology "EANA'09" (European Astrobiology Network Association) on 12-14 October

2009. In that frame, on Monday evening, there will be an invited talk by Antonio

Lazcano entitled "Darwin's warm little pond: the origin and early evolution of life"

(see enclosed announcement). This will be at the Royal Academy of Sciences, Letters

and Fine Arts of Belgium in the "Salle du Trône" on October 12th, 20h.

You are

welcome to join the EANA workshop participants if this interests you.

Sincerely,

Christian Muller, Emmanuelle Javaux, and Veronique Dehant

Survival strategies in desert cyanobacteria: from Anhydrobiosis to Astrobiology

Vendredi 16 octobre 2009, 16H

Salle 1.75 (Batiment B6c), Institut de Chimie

Allée du 6 Août, 13

Sart Tilman

4000 Liège

Thank you for your consideration,
Astrobiology Group - Webmaster
