

Dear colleagues,

The FNRS "Astrobiology" contact group invites you to participate to its annual workshop "ASTROBIOLOGY: FROM STARS AND PLANETS TO EXTREME LIFE" on December 8th 2010

following the EU COST CM805 the chemical cosmos meeting "carbon in the solar system" (<http://www.busoc.eu/cost/programme.php>)

Abstract deadline: November 19th

Please reply by email to: ej.javaux@ulg.ac.be to confirm your participation to the workshop and (free) light lunch and to send your abstract if you would like to make a presentation.

Invited speakers

Dr Robin Wordsworth, Université Paris 6

"Habitability on the outer edge: Climate studies of Noachian Mars and GJ581d"

Dr Emmanuelle Gérard, Institut de Physique du Globe de Paris

«Cartographies 3D couplées fluorescence/Raman pour l'analyse de stromatolites modernes analogues de stromatolites archéens»

"Salle Méridienne" of the Royal Observatory of Belgium, rue circulaire/Ringlaan, 3, Brussels
(Access : <http://www.astro.oma.be/EN/info/praktisch.php>)

Organization: V. Dehant & E. Javaux

Details at <http://astrobio.oma.be/>

with the support of the FNRS and ORB/ROB

please, feel free to circulate this invitation and to encourage your students/postdocs to participate!

Dr. E. Javaux

Présidente du département/Department Chair

chargée de cours/professor

Département de Géologie/Geology Department

Université de Liège/University of Liège

allée du 6 Aout, 17, B18

4000 Liege Sart-Tilman

Belgium

tel 32 4 366 5422

fax 32 4 366 5338
