

## AbGradCon 2013

Abstract submission now open!

The 10th annual Astrobiology Graduate Conference (AbGradCon), an interdisciplinary conference organized by and for graduate students and early career scientists, will be held at McGill University in Montreal, Quebec, Canada from June 10th - 14th, 2013. Pre- and early-career scientists (astronomers, biologists, chemists, educators, engineers, geologists, planetary scientists and social scientists) whose research addresses a topic relevant to astrobiology are encouraged to submit for oral and / or poster presentations. Abstract submission for AbGradCon 2013 is open now, and closes March 1, 2013. The submission form can be found here:
